

ISO – Partners with the Fire Service

Thursday, August 27, 2020 from 9:00 AM to 4:00 PM

SPECIAL REGISTRATION IS REQUIRED FOR THIS PROGRAM, WHICH INCLUDES LUNCH

For some time, ISO has been asked what really happens when we visit your community. We have strived in the past to answer this question and we are moving to further expand on this. The class will start with initial ISO contact with the community and an explanation of the agencies to be contacted for meetings and / or information. We will discuss what we look at and what is needed to prepare for our meetings. You will learn what happens during and after the survey and when you will know the survey outcome. We will provide information on how you can use the survey results for future improvements to your local public fire protection infrastructure. This class is geared to all members of the fire service.

Instructors:

Joseph Fratantaro – Community Hazard Mitigation Manager at ISO

Christian Ball – Senior Field Representative at ISO

Andy Welsh – Field Representative at ISO

PRICE: \$95.00 – if not attending conference, otherwise included in conference price
